LEADERSHIP AND TECHNICAL EXPERIENCE

Entrepreneurship Course

Project – Business Pitch (Inventory Tracking Mobile App)

Binghamton, NY

January 2026 – May 2026

- Performed Shark-Tank style business pitch on mobile app allowing users to track groceries and household inventories by researching market demand, conducting surveys, and creating a demo prototype through AI technology

Generative AI Course

Applied AI Projects

Binghamton, NY

January 2026 – May 2026

- Executed applied generative AI systems using Retrieval-Augmented Generation (RAG), vector embeddings, and agentic AI workflows to improve information retrieval, automate multi-step tasks, and enhance the accuracy and contextual grounding of LLM-generated responses

Social Media Marketing Course

Team Leader – Content Creation Projects

Binghamton, NY

January 2025 – May 2025

- Led team in creative content strategy and performance analysis for university and class social media accounts by using engagement metrics and audience trend analysis to optimize targeted content and improve audience reach

E-Business Course

Project Leader – Figma UX Design Project (Home Depot)

Binghamton, NY

August 2024 – December 2024

- Analyzed e-business models (B2B, B2C, and C2C) and designed user-focused website prototype in Figma by conducting UX research, user interviews, and interactive wireframing to improve engagement and evaluate key market strategies

PROFESSIONAL EXPERIENCE

SL Green Realty

Property Management Intern

Manhattan, NY

July 2024 – August 2024

- Contacted tenants and vendors to collect Certificates of Insurance (COIs) for work performed on-site through emails and phone calls to ensure compliance with building regulations resulting in a 4% raise on compliance rate for the property
- Oversaw day-to-day operations on the building by attending weekly construction meetings, compiling new tenant files, and entering daily occupancy data to Excel in preparation for composing building occupancy reports
- Created excel spreadsheet on paid debit items on building general ledger to prepare for annual accrual budgeting report

NYC Department of Youth and Community Development

Social Media/Marketing Intern

Manhattan, NY

July 2023 – August 2023

- Conducted outreach for the agency through managing correspondence and attending events hosted by our employer partners to foster further collaborations that resulted in higher retention rate of both partners and participants
- Created various social media content for the agency's programs through Twitter, Instagram and YouTube by taking photos, writing media post, designing posters and flyers, and editing videos to promote awareness in target audiences
- Analyzed data on program success using excel spreadsheet by comparing statistics from the previous year
